President's Message

One of the many amenities that makes Arcadia so wonderful for children (and adults!) is our beloved Herring Run Park. Our family has enjoyed the park all summer and I hope yours has too. Among the many exciting improvements coming to Parkside Drive are some that I hope will make the neighborhood and park even more enjoyable for neighbors of all ages. Soon, directly across from the Tyndale Trailhead, Arcadia will welcome one of the city's first crosswalk speedhumps. Among other new amenities on the road will be a bike lane, which will be on the park-side of the road. It will take bikers from Walther to Eastwood allowing safer passage for all, not just bikers into the park. The bike lane will have the added benefit of making the road smaller, which will encourage drivers to slow down. There will also be more speed humps placed at shorter intervals on the entire length of the road between Walther and Belair. Arcadia's old speedhumps were some of the first in the city. The speedhump designs have changed considerably since our old speedhumps were installed. The new humps should be more effective to reduce speed and less noisy when driven over. I am confident that the new traffic measures will help slow traffic for the benefit of all Arcadians.

As residents of this neighborhood, we can do our part to keep the traffic at a reasonable speed. I encourage everyone to drive slower. Drive 15-25 mph instead of 25-50 mph.

Here's a reminder that we will be voting on the bylaws at the general meeting on September 12. The meeting will begin at 7pm. If you want to vote on the bylaws, you must be a member of the association. Dues are only \$10.00 per household. We will be checking folks in at the door.

Everyone mark your calendar for Oktoberfest! This year's Oktoberfest is Saturday, October 5th, 1-5pm. Do you make the "Best Chili in all of Arcadia?" Oktoberfest is also the Arcadia chili cook-off. There will be tons of food and drink! We'll have cornhole, games and a moon bounce for the children. Arcadia t-shirts will be on sale.

As our family looks forward to fall, we're eager for the start of another community tradition that makes Arcadia great, The North X Northeast: American Roots Concert Series, organized by Arcadia's own Ruth Quinn and Tom Chalkley, and many dedicated others. The first show of the season is on Saturday, September 14, from 8-11pm at Function Coworking Community. Adults are \$15 kids under 10 are \$5. It's BYOB! One of our family's fall and winter resolutions is to attend as many of these concerts as possible this year. I hope to see many of you there as well.

Sincerely,

Mike Miller

Back to School means Back-to-Safer Driving

When driving through the neighborhood, either in the mornings on your way to work or in the afternoons, please be alert. Drive carefully with an eye for the many children who may be walking to school or boarding buses. **Caution** on area "speed/red light" cameras.

Police advise that leaving your motor running when running back into the house to retrieve a forgotten item is dangerous and against the law. In those few precious moments your car and its contents (maybe the kids) could be stolen. Be safe ! Please take the keys with you.

Who is my neighbor ?

And the EMMY goes to.....fellow Arcadian, **Eugene Russell**, on the corner of Parkside & Berkshire Road!

This summer, Eugene won his third Emmy during the 61st National Capital Chesapeake Bay Emmy Awards in Bethesda, Maryland. A veteran television news videographer, editor & producer at WTTG FOX 5 D.C.; this was Eugene's 5th Emmy nomination and 3rd Emmy Award for his ongoing documentary series,

Beyond the Lens-"Tools of the Trade;" highlighting techniques of local and national news coverage from the videographer's perspective. If you've ever met Eugene, you know he's a private, modest kind of guy, and if you know me, you know opposites attract! (smile) So please join me, Arcadia, in saying CONGRATULATIONS to your neighbor; the award-winning husband and father the kids and I adore!

Submitted by: **Vanessa Russell**

editors note:

Eugene is just one of those people who diligently picks up trash in the Walther median between Harford & Parkside--no cars = little trash. Not to worry, it will return soon enough.
